Official Stanton Voter Information for the November 8th, 2016 Ballot:

Dear Neighbor,

I am writing you today to update you on the November 2016 Ballot. Stanton voters will vote for candidates for two City Council seats and two local measures: Measure QQ to repeal existing voter-approved funding for city services and Measure RR, a City Council term limits measure.

If enacted, Measure QQ, also known as the Eliminate Funding for Stanton 9-1-1 Public Safety and Essential City Services Protection Measure, would repeal funding previously approved by voters in 2014.

Measure RR, also known as the Stanton City Council Term Limits Measure, would limit Stanton City Council members to no more than two (2) full terms.

The November 8th, 2016 ballot is expected to be one of the longest ballots in recent history. Absentee ballots will begin going out the week of October 10th, 2016. Vote-by-mail ballots must be postmarked on or before November 8th, 2016. Please be sure to sign the back of your ballot. Vote-by-mail ballots may also be dropped off at any polling place on November 8th between 7AM and 8PM. If you have question about your absentee ballot or are not currently an Absentee Voter and would like to become one, please visit www.ocvote.com/registration/keeping-your-registration-up-to-date/.
